

What is Church in Townsville?

Church in Townsville is a website – www.churchin.org.au. Initiated by a group of young web designers, Church in Townsville is an easy way to locate a church that suits you. This website lists all congregations in the area, with as much information as possible to help newcomers find a group of believers that best suits them.

Simply click on the link “find a church” then enter your location and click on the church you would like to view. There is a map and information of church times, location, contacts and links to that particular church’s website. What a great way to get connected! It is also a central place to post all upcoming church events. We hope it will continue to encourage groups to share resources and programs that they currently are running.
