

What is Stable on the Strand?

Townsville's Annual 5 Day Christmas Festival on the Strand complete with Roman soldiers, traditional craftspeople, livestock, shepherds and of course Mary, Joseph and baby Jesus. This interactive re-creation of the traditional Christmas story is a FREE event for the whole family.

Stable on the Strand was awarded the honour of the "2010 Community Event of the Year" and also "Townsville Arts Award for Event/Festival." In 2011 Stable on the Strand celebrates the success of this event with 10 years of operation. The festival is organised by the Combined Churches of Townsville (with over 700 volunteers from 60 churches), the Townsville City Council and has widespread business and community support with total visitors since the inception around 240,000.

Why Stable?

- To see the Churches of Townsville come together to create the Christmas message in story, song and festivity for the people of this region.
- We commit ourselves to excellence, courtesy and responsibility in our areas of involvement.
- The event itself will proclaim the Gospel message. Our faith must appear genuine and transparent. By working together will create a wonderful atmosphere and draw others to Jesus.
